Module 3. Strategic Art Collecting

Date: 21st February, 2016, Sunday

Katherine Schaefer

Director, Simon Lee Gallery

Katherine has been working closely with Simon Lee at his London gallery. The relocation of Katherine to Hong Kong naturally sparked the idea of a representation of Simon Lee in the Chinese city. May 2012 saw the inauguration of Simon Lee Gallery, as a direct extension of the London Headquarters, in Pedder Building, Hong Kong.

Under the directorship of Katherine, Simon Lee Gallery in Hong Kong has integrated with the thriving Asian scene of internationally renowned artistic activities, and provided a context in Asia for their conceptual artists. The gallery has used the Hong Kong platform to collaborate with new artists such as Daido Moriyama, Mai-Thu Perret, Josh Kline, Dora Budor, Lucie Stahl, Sean Raspet, Pamela Rosenkranz and Aaron Garber-Maikovska as well as upcoming solo shows with Garth Weiser and Dexter Dalwood. <http://www.simonleegallery.com/>
