HKU SPACE International College (IC)

HKU SPACE International College (IC) offers over 20 full-time undergraduate programmes covering a wide range of areas. Associate Degree and Higher Diploma graduates can apply for programmes offered in collaboration with UK and Australia universities, and obtain an overseas university award within 10 to 24 months. HKDSE and IB graduates can apply for 3-year degree programmes in partnerships with University of London (UOL) and University of the Arts London (UAL).

Culture, Communication and Media

Bachelor of Arts (Honours) Contemporary Media Cultures

University of the Arts London

for AD/HD/HKDSE/IB Graduates

This programme examines the role media, cultural and creative processes play in shaping all aspects of contemporary social life. Students will learn about media and cultural theory with an emphasis on creativity, innovation, exploration, discovery and collaboration. This programme guides students through a series of case study modules that will help them understand the links between the academic concepts and discussions explored in the degree and how these ideas can be applied using a range of media. The practical elements are designed specifically to help students develop their critical thinking - by putting ideas into practices. On campus transfer opportunities are available for students to finish their final year in London.
