Sources to Know About IC Programmes

You may tick more than one option:

Notes to Applicants

- 1. Fees paid are neither refundable nor transferable. However, if an applicant of undergraduate programmes obtains a UGC-funded place in a full-time degree programme from a UGC-funded institution in Hong Kong, IC will make full refund of the tuition fee paid upon request:
 - a. The request for refund must be made in writing to the Administrative Officer of IC before the commencement of the relevant programme.
 - b. The refund process may take up to two months after the submission of the written request.
 - c. The application fee is not refundable.
 - d. Where a refund is approved, fees paid by cash, EPS or cheque will normally be reimbursed by a cheque, and fees paid by credit card will normally be reimbursed to the payment cardholder's credit card account. Applicant will be asked to confirm the refund details in case the account payee and mailing address (for cheque refund) / cardholder (for credit card refund) is not the applicant himself.
- 2. Receipts will be issued for fees paid but HKU SPACE will not be responsible for any loss of receipt sent by mail. The receipt(s) is not a guarantee that your application is successful.

Additional Notes to Non-local Applicants

To study in Hong Kong, all non-local applicants are required to obtain a student visa issued by the Immigration Department of the HKSAR Government, except for those admitted to Hong Kong as dependants, who do not need prior approval before taking up full-time and part-time studies. Non-local applicants issued with a valid employment visa also do not need prior approval to pursue part-time studies. It is the responsibility of individual applicants to make appropriate visa arrangements. Admission to a HKU SPACE academic programme/course does not guarantee the issue of a student visa. Applicants may wish to note that part-time courses are not considered by the Immigration Department for visa purposes except for self-financed, part-time locally accredited taught postgraduate programmes awarded within the HKU system through HKU SPACE.

COVID-19 Control Measures at HKU SPACE

To minimize the risk of COVID-19 transmission in learning centres and offices and to keep the HKU SPACE community safe, access to the HKU campus or HKU SPACE premises will need to comply with the tightened measures in line with the University. Please refer to details on implementation on our Website/Learner Portal and please do note that there may be further updates from time to time to take account of possible changes in the Government guidelines and University arrangements.

Class arrangement during COVID-19

The COVID-19 situation may still be fluid and constantly affect class arrangements in the coming months. The health and safety of our students will always be our top priority. To ensure that students' academic progress is not affected, the School may substitute face-to-face classes with online teaching if necessary in the event that face-to-face classes cannot be held. Our respective Programme Teams will contact the students concerned with details of such arrangements as necessary.
