Bachelor of Arts (Honours) Criminology with Psychology 犯罪學暨心理學(榮譽)文學士

QF Level: 5
QR Registration No.: 14/003412/L5
Validity Period: 01/09/2015 to 31/08/2024

Criminology investigates a range of theoretical and policy issues relating to the extent, nature and distribution of crime, explanations of crime, the control of crime, including crime prevention, policing, the operation of the criminal justice process and methods of punishment, the nature and extent of crime victimisation, and the role of victims in the criminal justice system. You can now study criminology with one of the UK's most prestigious centres for the study of crime, criminality and criminal justice, and acquire research methods as well as develop key transferable skills for the job market.

This programme is ideally suited to those who have a general interest in crime and criminology and a particular interest in psychology.

Apart from up-to-date cross-cultural criminological and sociological theories, students will also be able to study a range of psychological approaches that are essential in explaining offending or abnormal behaviours.

犯罪學就各類犯罪學理論及政策問題進行研究，掌握不同類型的罪行，瞭解案情，從而打擊罪行的發生；當中包括防治罪案、針對犯罪活動制定對策、警政、刑事司法程序運作、刑罰制度及掌握受害人在司法制度所扮演的角色等。

赫爾大學的犯罪學課程，不單給予學生向著名學府及國際級教授學習犯罪學和刑事司法的機會，更開拓學生對犯罪活動、刑事司法以及社會科學的理解和認識，如研究方式等，讓學生日後可以從事相關工作，並學以致用。

除了透過跨文化的犯罪學理論及廣闊的社會科學領域，讓學生深入探討有關罪行及刑事司法的課題，此課程亦會涵蓋有關如何解讀犯罪及異常行為的心理學課題。

Assessments will be in various forms including essays, presentations, projects, reports, examinations and dissertation.

Career Opportunities

The University of Hull has one of the best records in the UK for employment of its graduates, and Hull's social sciences graduates are no exception. There is an increasing market for graduates in social sciences, criminology and/or psychology.

The demand for social sciences graduates has increased in recent years, and our degree equips students with knowledge and skills that will be invaluable for careers connected with social services. Graduates are expected to be capable of devoting themselves in a wide variety of careers. Common career choices include the civil services, social or community services, the legal profession and academic or policy research.

Graduates with degrees in criminology-related fields have found employment in a wide variety of careers: as police and probation officers, academic and policy researchers, community and voluntary sector workers, teachers, to name only a few career destinations.

Further Studies

Qualifications from the University of Hull are recognised internationally, and graduates of this programme are qualified to apply for admission to taught-master programmes or research-based postgraduate programmes such as MPhil and PhD.
