英國赫爾大學於1927年成立，學府的師資、學術研究均達國際級水平；大學設置一流的設施，為全校超過16,000名學生提供強大的支援網絡。最近期的英國卓越研究框架(REF)報告亦顯示，赫爾大學的研究能力為全英前50名。

### Hull University Business School

Hull University Business School offers a wealth of opportunities to pursue undergraduate and postgraduate study and research, all designed to enhance your professional or academic development. Our degrees all build a strong understanding of the complexities of the global business environment to help you develop into a responsible, resourceful business leader.

Recognition from two of the leading global accreditation systems for business schools (AACSB and AMBA) has confirmed our status as a leading business school. AACSB accreditation is an internationally recognised accreditation specialised for business schools, and is held by less than 5% of the world's 13,000 business programmes. This places us in a select group of UK business schools, assures students of our commitment to providing an outstanding experience and further enhances the value of their degree in the global employment market.

### 赫爾大學商學院

赫爾大學商學院提供多個學士、碩士與研究生課程，為學員提供專業或學術發展的途徑。商學院享負盛名，同時獲得兩項國際權威認證(AACSB及AMBA)。其中，AACSB是一項專門為商學院而設的認證，全球13,000個工商課程中僅少於5%課程獲得此項認證；說明赫爾大學商學院持續為高等教育的質量提供保證，以及不斷提升其學位國際就業市場的價值。

## Career Opportunities

The accounting function is essential for all business entities whether they are multinational corporations or small companies. The demand for accounting service has consistently been on the rise with the expansion of the Hong Kong and China economy. Therefore, the demand for educated and qualified accounting personnel to support different sectors of the economy is rapidly growing.

The HKSAR Government's strong emphasis on the 6 economic pillars rooted in innovative and knowledge-based industries has led to a strong local economy. The positive development of a CEPA agreement between Mainland China and Hong Kong has eased market restrictions, granting local accounting professionals direct access to the Mainland market. All these factors spur the demand for accountants with international credentials and exposure.
