

HKU SPACE International College (IC)

HKU SPACE International College (IC) offers over 20 full-time undergraduate programmes covering a wide range of areas. Associate Degree and Higher Diploma graduates can apply for programmes offered in collaboration with UK and Australia universities, and obtain an overseas university award within 10 to 24 months. HKDSE and IB graduates can apply for 3-year degree programmes in partnerships with University of London (UOL) and University of the Arts London (UAL).

Culture, Communication and Media

Bachelor of Arts (Honours) Contemporary Media Cultures

University of the Arts London

for AD/HD/HKDSE/IB Graduates

This programme examines the role media, cultural and creative processes play in shaping all aspects of contemporary social life. Students will learn about media and cultural theory with an emphasis on creativity, innovation, exploration, discovery and collaboration. This programme guides students through a series of case study units that will help them understand the links between the academic concepts and discussions explored in the degree and how these ideas can be applied using a range of media. The practical elements are designed specifically to help students develop their critical thinking - by putting ideas into practices. On campus transfer opportunities are available for students to finish their final year in London.

Art and Design

Bachelor of Arts (Honours) Graphic Design

Middlesex University London

This programme aims to provide comprehensive training for those who aspire to become a professional graphic designer. It provides an articulation route for Higher Diploma or Diploma graduates of graphic design from different institutions and practising designers to further pursue their studies. The self-directed projects enable students to work to a professional level in concept development, problem solving, production and presentation.

Bachelor of Arts (Honours) Interior Architecture

Middlesex University London

Adopting a project-centred approach to learning, this programme leads students to explore and develop design thinking and to gain contextual knowledge and technical presentation skills. Renowned interior design firms such as M. Moser Associates Ltd. and Steve Leung Designers Ltd. have been rendering enormous support to this programme by providing students with internships, visits, seminars or professional comments on projects. Graduates of this programme have also been presented with valuable opportunities to work in these large firms, thus guaranteeing a good start in their career path.

Hospitality, Tourism & Events

Bachelor of Science (Honours) Tourism Management

University of Plymouth

This programme aims to enable students to gain a broad understanding of the development of tourism and have a critical awareness of the issues that underpin best practice in this field. It also enables students to meet the changing demands of society and the economy, and develop vocationally relevant managerial skills needed for employment or further study. In particular, students will be able to integrate subject specific knowledge and transferable skills to develop a specialist topic in depth, conduct a research investigation, and effectively report the findings in the Honours Project module.
